Share Options:

Standard Produce Share: (Begins mid-June)

Expect to receive 20 weekly boxes of fresh seasonal produce from mid-June to late-October. The Standard Share is packaged with the aim of providing most of the produce needs of one household (2 - 4 people) but, of course, people differ widely on the amount of produce they eat.

Every Other Week (EOW) Produce Share:

You'll receive the same seasonal produce as the Standard Share only delivered every other week for a total of 10 boxes. This share meets the needs of 1 - 2 people, or vegetable light households.

Late Season Produce Share:

Add this share to extend your CSA experience. A one time share of late season vegetables delivered in mid - November. This Late Season share often includes garlic, onions, potatoes, winter squashes, carrots, root crops, cabbages, and others.

Mushroom Share:

An every-other week delivery of 1 pound of mushrooms for a total of ten deliveries. Choose from either all buttons (\$35), all large portabellas (\$55), or 5 weeks of button and 5 weeks of crimini (baby portabellas) (\$45). Mushrooms are from local mushroom farm Gourmet's Delight.

Honey Share:

A once a month delivery of 2 pounds of local honey. There will be five honey deliveries from June to October.

Bread Share:

A weekly delivery of freshly baked bread from local bakers at Renard's European Bake Shop. The share consists of ten weeks of 12 ounce Ciabatta and ten weeks of 1-1/2 pound breads, for a total of 20 loaves (1 loaf per week). 1-1/2 pound breads will rotate between Sour Dough, Wheat Berry Walnut, Roasted Potato, Onion Caraway Rye, and Pumpernickel.

Please Note:

Late Season Shares, Mushroom Shares, Honey Shares, and Bread Shares are only available as additions to the Standard or EOW Produce Shares.
